

BWAM 3P Projects

Project	Desired Outcome/Goal	Target Date	Specific Tasks/Objectives, point person, date completed	Comments
Hip Strip (S. Higgins to Brooks)	3-lanes Higgins Bridge to Brooks with bike lanes.	Summer 2008 thru 2011	September 2010: 3-lane Streetscape north of Broadway may mean it's time to revisit 3-lanes on the hip strip.	Revisit 2011 MDT approved application of epoxied Sharrows 2011.
Orange Street	Bike Lanes - Bridge to Beckwith	Summer 2008-2011	4-ft shoulder by painted fog lines 2009 unsatisfactory. Sharrows preferable?	keep working!
Brooks Street	Bike Lanes repainting	2010-11	Bike Lanes striped Higgins Avenue to Mount Avenue 2010; Will be revisited.	be ready to support!
Bancroft	Bike Lanes -	2011	Neighborhood approved 39th to South. Needed South to Brooks to complete bike lane network.	
epoxy bike lanes	Epoxy only 5-ft + bike lanes	2011	Epoxy in 2010-11 scheduled on some streets with non-standard lanes; BWAM measured, reported, advocated for standard 5ft, 6ft next to parking	no real assurance so far.
Missoula-Lolo Trail (MLT)	Separated Trail, Missoula-Lolo	2016?	County Comm. support; seeking funding. Preferred route not yet determined. Continue exploration/acquisition.	
Arthur-Maurice 5th&6th	Bike-ped safe crossings	2011?	Invited, BWAM, with others, gave input on preliminary plans. BWAM supports MIST's plan for roundabout rather than signal at 6th & Arthur.	
Russell-3rd	3 Lanes, Roundabouts, Complete Street	2011 Pref. Alt. EIS.	BWAM involved in long process, meetings, 3+ proposal.	2011 --3Plus excluded.
Reserve Street	Safer Intersections	ongoing	Oppose additional left-turn lanes at Mullan/Reserve (losing ped. Island) & South/Reserve.	Try again.
Sidewalks	Complete sidewalk system	on-going	Advocated sidewalk funding in gas tax, Tiger Grant, MATP. Efforts influenced establishment of Citizen Committee.	BWAM rep on committee?
Downtown Plan	3-Lane Broadway & Higgins with Bike Lanes	on-going	Accomplished: Bike Lanes Bridge to Broadway; cycle tracks north of Broadway. Continuing: Broadway Orange to Madison; Higgins South of bridge (Hip Strip).	BWAM's concerns listened to!
Bike lane, sidewalk obstructions	Keep lanes clear of snow, leaves, debris	Ongoing	Inform members/contact City Dept. Re: Bulbouts -- Bike lanes repainted due to BWAM & others' outcry over bulbouts extending into bike lanes. Need continued monitoring.	Began with adopt-a-lane

BWAM 3P Projects

Key: Blue fill = completed	Green Fill = on-going but low-priority or ind	Red: recent update.		
Sharrows	City adopt guidelines	on-going	Advocate as best option to non-standard or no bike lanes.	
Roundabouts	Advocate as opportunities arise	Ongoing	Higgins-Beckwith; Miller Creek roundabouts working well.	Proposals?
Federal Funding	Partner with T4A et al.	On-going	Keep current on bills; alert members when support needed.	
T4A & Nat'l advocacy	on-going		Many letters sent; stay connected to T4A, BWA	
Bike Parking	lower priority	on-going	Bike corral on N. Higgins!	
Miller Creek	roundabout, bike safety	Fall 08 Bid?	BWAM supported roundabout; Project complete.	Completed
Support Letters	Help other groups with projects	on-going	As requested by FVLT, sent letter of support for purchase of property to extend Kim Williams trail east; Several others	Continue as requested
LRT Plan	Keep Bike/Ped infrastructure in forefront	On-going	BWAM's input sought & respected. Need to stay visible at PW, TTAC & TPPC meetings.	
Complete Streets	City adopt Complete Streets Resolution	2009?	City adopts Resolution/ Policy for Complete Streets in all projects.	Success!
Bike Friendly Community	Missoula is designated a Bike Friendly Community	Mar-08	Worked to get Phil Smith to apply - Jim S. Bike-Ped Board member, Archie McMillan, completed the app. Achieved designation May 08 YES! (thanks, Archie)	
Share-the-Road Signage	Fill in the gaps	2008	Support Bike-Ped Bd. Efforts	completed?
GIS Map of Bike Lane/Trail Plan	Add needed lanes/trails	2008	Abandoned? (An individual project)	Kevin?
Reserve/North School Crossing	Reduced speeds, improved markings	Sept., 2009	BWAM supported Jim Haushauer's advocacy for safety.	Speed limit lowered; signs.
